

## Delivering for Goldfields–Esperance

**The Cook Labor Government is delivering for Goldfields–Esperance, with the 2026–27 State Budget focused on real cost of living relief while funding the housing, health, infrastructure and jobs that regional communities rely on.**

The 2026–27 State Budget backs the Cook Labor Government’s Seven Cities vision for regional Western Australia – a long-term plan to unlock the next wave of regional economic opportunities including in Kalgoorlie.

Through the Budget, we’re investing in the quality infrastructure and services needed to attract families, grow skilled local workforces and create quality local jobs – ensuring our Seven Cities can be everything they can be, and continue to be service delivery hubs for their regions.

The Budget will provide meaningful cost of living relief for Goldfields–Esperance families with funding to roll out the third WA Student Assistance Payment and delivering the Fuel Support Payment, offering a \$100 payment to all Western Australians with a valid driver’s licence.

More than \$4 billion in Royalties for Regions funding will be invested across regional communities, and \$9.5 billion in regional infrastructure over the next four years, strengthening regional WA so it remains a great place to live, work and raise a family.
